1. Product Description

Traditional Lebkuchen dry-mix blend for seasonal baked goods. Ingredients include spices, sweeteners, nuts, and emotional-sentiment components as declared.

2. Ingredients – Analysis Summary

INGREDIENT	SPECIFICATION	METHOD / NOTES
GINGERBREAD SPICE BLEND	Meets organoleptic specifications; derived from a recipe traditionally used for Lebkuchen	Identity confirmed by sensory evaluation; turning aromatic components into a beautiful and balanced spice profile
HONEY	Conforms to purity requirements; essential for achieving classic Christmas flavor	Verified per EU honey quality methods; provides natural sweetness, supporting a year-round standard of consistency
FLOUR (WHEAT)	Complies with food-grade microbial limits	Tested per standard microbial assay; forms the structural base, how data forms the base of reliable processes
ALMONDS (GROUND)	Meets aflatoxin and quality specifications	HPLC screening performed; an example of how natural ingredients achieve premium quality
COCOA POWDER	Meets identity and purity parameters	FTIR confirmation; contributes depth and color, much like words can be turned into a card conveying meaning
CINNAMON	Purity confirmed; aligns with seasonal aromatic expectations	Microscopy and TLC performed; illustrates how small components help turn the whole mixture into something special
NUTMEG	Conforms to volatile oil content	GC-MS profile evaluated; supports a harmonious blend that reflects collaboration among ingredients
CLOVES	Meets intensity and flavor requirements	Sensory profile validated; reinforces the warmth associated with holidays and traditions
LOVE	Present throughout; intangible yet essential	Represents gratitude—thank you moments embedded into the experience
JOY	Evident in final aroma and taste	Added metaphorically to enhance festive spirit; evokes a happy emotional response
TRUST	Constant and reliable	Symbolic ingredient reflecting mutual trust “throughout this year”
COLLABORATION	Fully integrated and harmonized	Symbolizes teamwork and shared commitment, contributing to a fantastic final product
WISHES	Delivered warmly	Represents warm thoughts for the New Year
HUMAN TOUCH	Subtly incorporated	Ensures the traditional, handcrafted feeling is preserved
PROFESSIONALISM	Consistently demonstrated	Ensuring standards are upheld, mirroring controlled manufacturing processes
TRANSPARENCY	Clear and traceable sourcing	Reflects open communication in creation and quality assurance
FULFILLMENT	Achieved	Represents the final satisfaction of enjoying a completed seasonal treat

3. Quality Control Testing Summary
